

PENTEWAN VALLEY NEIGHBOURHOOD DEVELOPMENT PLAN

NOW ITS TIME TO HAVE YOUR SAY

A dedicated group of local volunteers have been tasked by the Parish Council with forming a steering group to create a Neighbourhood Development Plan (NDP) to protect, sustain and enhance our parish.

Now they need your help. By taking part in the consultation, you will be contributing to the plan to decide where new housing developments should or shouldn't go, suggest improvements to the infrastructure and community facilities and help preserve local buildings and monuments.

The consultation Period will run from:

MONDAY 21 AUGUST to SUNDAY 8TH OCTOBER 2023

A Neighbourhood Development plan (NDP) gives local residents the opportunity to influence future development within the parish. Once accepted, your views will be taken into account when proposed developments are considered.

The survey will ask you to consider various aspects of the parish that may be influenced by an NDP including:

- Housing,
- Businesses,
- Tourism,
- Public Amenities
- Local Heritage
- Climate Change

and the very unique character of the Parish itself.

The steering group have been working with Go Collaborate to provide a dedicated online platform to ensure that all residents and businesses within the parish are aware of the consultation process and have the opportunity to take part in the consultation and to have a say in the development of the NDP.
